

i3 Webinars

Workforce Mapping DNA

How to grow new business opportunities and strengthen internal operational performance

Delivered by: Susanne Brown, Beverly Sherratt and Barbara Wilson - i3 Associates

The objective of this webinar will be to provide trained i3 coaches / associates with:

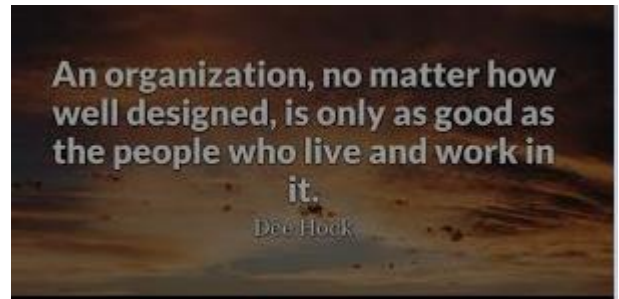

An interactive introduction and overview to a new report format providing organisations with behavioural insight to strengthen people strategies, workforce planning, career management and succession plans – providing you with a level of behavioural competencies DNA to work alongside your business USP's and skills DNA.

Who should attend?

i3 REAL accredited recruiters / coaches / associates

What is included?

- A deeper insight into what the objectives and outputs this report has to offer
- A case study demonstrating the application, value and feedback to explore
- A practical framework to embed within your own service or organisation including tips and advice on how to get key influencers bought in
- Open Q&A

i3 Webinars

Our webinars are aimed at facilitating i3 REAL accredited coaches and associates' continuous development, and to refresh / deepen knowledge of the i3 tool. Our webinars are:

- Free of charge
- Facilitated platform, discussions and case studies to exchange knowledge transfer and experience.
- Delivered remotely via 'zoom' video conferencing.
- Supported with a recording to refer back to and reflect on your learning.
